Find out all the technical data and information about Trelleborg tyres and solutions in just a few seconds. The Tire Book app is the digital version of the Trelleborg technical catalogue and it has been developed

to ensure all Trelleborg product data is easily at hand and readily available. Enjoy the extra special contents as well: the latest pictures and movies about Trelleborg products and solutions.

Trelleborg Tire iBrochure

www.trelleborg.com/wheelsystems/apps

The Trelleborg Tire iBrochure app includes all product literature on Trelleborg tyres and complete wheel solutions as well as useful advice to get the most out of your tyres.

Download this application for free and enjoy the latest pictures, movies and animated test results for Trelleborg products.

Trelleborg Tire Efficiency

www.trelleborg.com/wheelsystems/apps

Increasing your business productivity today easier. The Trelleborg Tire Efficiency app helps you measure the benefits provided by the use of Trelleborg tyres, on all applications you need, both in terms of cost savings and reduced working time. Select your farm's size, whether the

operation is on road or in the field, indicate the working time and the tyre alternatives you want to benchmark. The app will show you all your savings at once. Share the resources with friends by e-mail, via Facebook or Twitter!

Trelleborg Dealer Locator

www.trelleborg.com/wheelsystems/apps

The Trelleborg Dealer Locator app offers you 2 interesting functions. It allows to both find your nearest Trelleborg tyre dealer and gives you a professional farming weather forecast. Wherever you are, you can easily find the shortest way to

reach the dealer providing its contact details (address, telephone number, e-mail and website) and check the farming weather forecast (including information as temperature forecast, potential evapo-transpiration, relative humidity, % precipitation etc.)

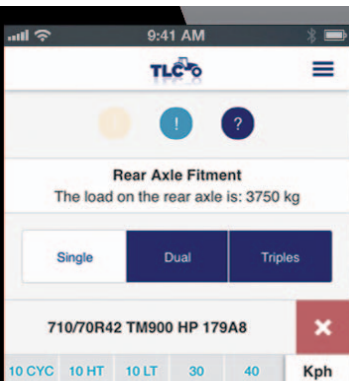

Trelleborg Load Calculator

www.trelleborg.com/wheelsystems/apps

The TLC (Trelleborg Load Calculator) is a smart application to identify the precise load per axle of your tractor and the optimum tyre pressure for each farming application. This app has been designed by Trelleborg to be a smart and user-

friendly tool to provide you with higher productivity and efficiency. The Load Calculator is available for free on all devices (PC, Smartphone and tablet) to maximize and simplify your business.

Load Calculator. Boost your productivity.

Download the new Trelleborg free App to boost the productivity of your business.
